**PETITION UNDER 37 C.F.R. 1.181 TO WITHDRAW HOLDING OF ABANDONMENT  
IN ACCORDANCE WITH MPEP §711.03(c) AND 1156 O.G. 53**

Sir:

As set forth in MPEP § 711.03(c) and 1156 O.G. 53, Applicant hereby petitions to have the holding of abandonment of the above-identified application withdrawn. The application was held to be abandoned for failure to respond to a final Office Action mailed February 28, 2008. The following materials are submitted in support of Applicant's petition:

1. a copy of the Master Data Center database report indicating that nothing has been received from the U.S. Patent and Trademark Office for this application since the September 11, 2007, Office Action;
2. a copy of the outside front cover of the file jacket maintained by us for the above-identified application; and
3. a copy of our Docket Control Sheet for the application.

The final Office Action mailed February 28, 2008 was not received by us. The non-receipt of the final Office Action is shown by a search of the file jacket and docket records associated with the above-identified application by the undersigned attorney for Applicant. Our regular routine followed in all applications prosecuted in the United States Patent and Trademark Office is to enter all Notices, Notifications, and Office Actions received from the Patent Office on the front outside cover of the file jacket, as well as on a separate Docket Control Sheet, when they are received. The copy of the front outside cover of the file jacket in the above-identified application and the copy of the Docket Control Sheet both show that the final Office Action mailed February 28, 2008 was not entered, thus indicating that the final Office Action was not received.

In view of the foregoing remarks and the enclosed evidence indicating that the final Office Action was not received, Applicant respectfully requests that the instant petition be granted and that the holding of abandonment of the application be withdrawn.

Applicant respectfully requests a copy of the final Office Action originally mailed on February 28, 2008, to be sent to Applicant's undersigned attorney upon grant of the present petition. As confirmed by Applicant's undersigned attorney's September 30, 2008 telephone conversation with Examiner Deng Lee, Applicant understands that, due to non-receipt of the final Office Action, a response thereto is not necessary at this time.

It is believed that the present petition is treated as a petition under 37 C.F.R. 1.181, and that no fee is applicable. However, if any fee is due, please charge the fee to our deposit account No. 16-0605.

Respectfully submitted,

Stephanie N. Chu
